

Ohio Republican Party C00162339  
September 20, 2004 monthly report.

I have amended the above report because after a review I noticed that three contributions were posted to the wrong line, Line 17.

I also noticed that there are three entries for anonymous contributions. I don't know why they were entered as three entries but the total amount reflects money that we made at our state fair from the sale of bumper stickers, sign cards and yard signs.

Sincerely,  
Sarah Brown-Treasurer
